**SUBJECT:** Filing of Notice of Determination pursuant to Public Resources Code section 21108

**State Clearinghouse Number:** 2017042041

**Project Title:** San Anselmo Flood Risk Reduction Project (Lake or Streambed Alteration Agreement No. 1600-2020-0146-R3)

**Project Location (Marin):** The project is located at two locations in the County of Marin: 1) Fairfax Creek at 3000 Sir Francis Drake Boulevard, Fairfax, CA 94930, Latitude 38.0023°N, Longitude 122.6103°W; and 2) San Anselmo Creek at 634-636 San Anselmo Avenue, San Anselmo, CA 94960, Latitude 37.9761°N, Longitude 122.5626°W.

**Project Description:** The California Department of Fish and Wildlife (CDFW) has amended Lake and Streambed Alteration Agreement (1600-2020-0146-R3), pursuant to Fish and Game Code section 1602, to the project Applicant, Marin County Flood Control and Water Conservation District.

The Agreement has been amended to include activities to address unanticipated bank erosion upstream and downstream from the rock slope protection (riprap) installed near the Flood Diversion and Storage (FDS) Basin drainage outfall (i.e., 36-inch diameter pipe). The activities include removing unauthorized excess riprap from near the outfall, re-installing key rocks for riprap, adding riprap on the opposite bank around an existing dissipator, and installation of soil fabric and seeding on areas where riprap is removed.

This is to advise that CDFW, acting as a Responsible Agency, approved the project described above on October 7, 2024 and has made the following determinations regarding the project pursuant to California Code of Regulations section 15096, subdivision (i):

1. The project **will not** have a significant effect on the environment. This determination is limited to effects within CDFW's permitting jurisdiction as a Responsible Agency.
2. CDFW considered the environmental impact report prepared by the Lead Agency for this project pursuant to California Code of Regulations section 15096, subdivision (f).
3. Mitigation measures **were** made a condition of CDFW's approval of the project.
4. A Mitigation Reporting or Monitoring Plan **was** adopted by CDFW for this project.
5. A Statement of Overriding Considerations **was not** adopted by CDFW for this project.
6. Findings **were** made by CDFW pursuant to California Code of Regulations section 15091.

The Final EIR prepared for the project is available to the general public at the office location listed above for the Lead Agency. CDFW's record of project approval as a Responsible Agency is available at CDFW's regional office.
