Bhupinder Sahota
(209) 948-7696

Project Applicant:

Project Title: (Project)

Project Address:

Project County:

Project Description:

The Applicant proposes to reactivate and operate Well 8 and the existing refurbished GAC treatment system. The GAC treatment will be treating well water for 1, 2, 3-Trichloropropane. The Project will allow the well and rehabilitated treatment system to return to service.

Public Agency Approving the Project: State Water Resources Control Board (State Water Board)

This is to advise that the State Water Board has issued a for the described project on . A record of approval for the Project is available to the general public at the State Water Board, Division of Drinking Water District Office noted above.

Exemption Status:

Reason why project is exempt:

This Project is exempt because it is the operation of an existing facility that has been rehabilitated. The water system will serve the same function at the same capacity. None of the exceptions listed in section 15300.2 of the CEQA Guidelines would apply to the proposed Project.
