Project Title: Geyser Peak to Pocket Peak Fuel Break

Project Applicant: Northern Sonoma County Fire Protection District

Project Location (include county): Sonoma County

Project Description:

The Northern Sonoma County Fire Protection District (District) proposes to implement fuel break treatments on 200 acres within Sonoma county. The District has prepared a Project-Specific Analysis (PSA) and Addendum to the Program Environmental Impact Report (PEIR) for the California Vegetation Treatment Program (CalVTP) to evaluate if the proposed project is within the scope of the CalVTP PEIR, consider the expansion of treatments outside the treatable landscape analyzed in the CalVTP PEIR, and provide environmental information to the District in compliance with CEQA. Proposed treatment activities include mechanical and manual treatments, herbicide application, and prescribed burning.

This is to advise that the Northern Sonoma County Fire Protection District has approved the above (input checked Lead Agency or input Responsible Agency)
