Project Title: Sonoma County Fire District - Windsor Area Regional Parks CalVTP # 2022-28

Project Applicant: Sonoma County Fire Protection District

Project Location (include county): Sonoma County

Project Description:

The Sonoma County Fire Protection District and Sonoma County Regional Parks propose to implement fuel break treatments on approximately 1,055 acres within Sonoma county. The Project Proponents have prepared a Project Specific Analysis (PSA) and Addendum to the Program Environmental Impact Report (PEIR) for the California Vegetation Treatment Program (CalVTP) to evaluate if the proposed project is within the scope of the CalVTP PEIR. Also an addendum was prepared to analyze the addition This is to advise that the Sonoma County Fire Prevention and Natural Resources has approved the above (Lead Agency or Responsible Agency)

described project on 05/23/2023 and has made the following determinations regarding the above (date) described project.

- 1. The project [will will not] have a significant effect on the environment.
- 2. An Environmental Impact Report was prepared for this project pursuant to the provisions of CEQA. A Project Specific Analysis was prepared for this project pursuant to the provisions of CEQA.
- 3. Mitigation measures [were were not] made a condition of the approval of the project.
- 4. A mitigation reporting or monitoring plan [was was not] adopted for this project.
- 5. A statement of Overriding Considerations [was was not] adopted for this project.
- 6. Findings [were were not] made pursuant to the provisions of CEQA.

This is to certify that the final EIR with comments and responses and record of project approval, or the negative Declaration, is available to the General Public at:
<https://bof.fire.ca.gov/projects-and-programs/calvtp/environmental-documentation-for-approved-projects>

Project Title: California Vegetation Treatment Program

Project Applicant: Board of Forestry & Fire Protection

Project Location (include county): Statewide

Project Description:

The program includes expansion of vegetation treatment activities to reach a total treatment acreage of approximately 250,000 acres per year through wildland-urban Interface fuel reduction, fuel break, and ecological restoration treatments within the State Responsibility Area. Treatment activities would include prescribed burning, prescribed herbivory, mechanical and manual treatments, and use of herbicides.

This is to advise that the Board of Forestry & Fire Protection has approved the above
(Lead Agency or Responsible Agency)

described project on 12/30/19 and has made the following determinations regarding the above
(date)
described project.

- 1. The project [will will not] have a significant effect on the environment.
- 2. An Environmental Impact Report was prepared for this project pursuant to the provisions of CEQA.
 A Negative Declaration was prepared for this project pursuant to the provisions of CEQA.
- 3. Mitigation measures [were were not] made a condition of the approval of the project.
- 4. A mitigation reporting or monitoring plan [was was not] adopted for this project.
- 5. A statement of Overriding Considerations [was was not] adopted for this project.
- 6. Findings [were were not] made pursuant to the provisions of CEQA.

State of California - Department of Fish and Wildlife
2019 ENVIRONMENTAL FILING FEE CASH RECEIPT
 DFW 753.5a (REV. 12/01/18) Previously DFG 753.5a

NOTICE

Each project applicant shall remit to the county clerk the environmental filing fee before or at the time of filing a Notice of Determination (Pub. Resources Code, § 21152; Fish & G. Code, § 711.4, subdivision (d); Cal. Code Regs., tit. 14, § 753.5). Without the appropriate fee, statutory or categorical exemption, or a valid No Effect Determination issued by the California Department of Fish and Wildlife (CDFW), the Notice of Determination is not operative, vested, or final, and shall not be accepted by the county clerk.

COUNTY DOCUMENTARY HANDLING FEE

The county clerk may charge a documentary handling fee of fifty dollars (\$50) per filing in addition to the environmental filing fee (Fish & G. Code, § 711.4, subd. (e); Cal. Code Regs., tit. 14, § 753.5, subd. (g)(1)). A county board of supervisors shall have the authority to increase or decrease the fee or charge, that is otherwise authorized to be levied by another provision of law, in the amount reasonably necessary to recover the cost of providing any product or service or the cost of enforcing any regulation for which the fee or charge is levied (Gov. Code, § 54985, subd. (a)).

COLLECTION PROCEDURES FOR COUNTY GOVERNMENTS

Filing Notice of Determination (NOD):

- Collect environmental filing fee or copy of previously issued cash receipt. *(Do not collect fee if project applicant presents a No Effect Determination signed by CDFW. An additional fee is required for each separate environmental document. An addendum is not considered a separate environmental document. Checks should be made payable to the county.)*
- Issue cash receipt to project applicant.
- Attach copy of cash receipt and, if applicable, previously issued cash receipt, to NOD.
- Mail filing fees for CRP document to CDFW prior to filing the NOD or equivalent final approval (Cal. Code Regs. Tit. 14, § 753.5 (b)(5)). The CRP should request receipt from CDFW to show proof of payment for filing the NOD or equivalent approval. Please mail payment to address below made attention to the Cash Receipts Unit of the Accounting Services Branch.

If the project applicant presents a **No Effect Determination** signed by CDFW, also:

- Attach No Effect Determination to NOD *(no environmental filing fee is due)*.

Filing Notice of Exemption (NOE) (Statutorily or categorically exempt project (Cal. Code Regs., tit. 14, §§ 15260-15285, 15300-15333))

- Issue cash receipt to project applicant.
- Attach copy of cash receipt to NOE *(no environmental filing fee is due)*.

Within 30 days after the end of each month in which the environmental filing fees are collected, each county shall summarize and record the amount collected on the monthly State of California Form No. CA25 (TC31) and remit the amount collected to the State Treasurer. Identify the remittance on Form No. CA25 as "Environmental Document Filing Fees" per Fish and Game Code section 711.4.

The county clerk shall mail the following documents to CDFW on a monthly basis:

- ✓ A photocopy of the monthly State of California Form No. CA25 (TC31)
- ✓ CDFW/ASB copies of all cash receipts (including all voided receipts)
- ✓ A copy of all CDFW No Effect Determinations filed in lieu of fee payment
- ✓ A copy of all NODs filed with the county during the preceding month
- ✓ A list of the name, address and telephone number of all project applicants for which an NOD has been filed. If this information is contained on the cash receipt filed with CDFW under California Code of Regulations, title 14, section 753.5, subdivision (e)(6), no additional information is required.

DOCUMENT RETENTION

The county shall retain two copies of the cash receipt (for lead agency and county clerk) and a copy of all documents described above for at least 12 months.

RECEIPT NUMBER

- # The first two digits automatically populate by making the appropriate selection in the County/State Agency of Filing drop down menu.
- # The next eight digits automatically populate when a date is entered.
- # The last three digits correspond with the sequential order of issuance for each calendar year. For example, the first receipt number issued on January 1 should end in 001. If a county issued 252 receipts for the year ending on December 31, the last receipt number should end in 252. CDFW recommends that counties and state agencies 1) save a local copy of this form, and 2) track receipt numbers on a spreadsheet tabbed by month to ensure accuracy.

DO NOT COMBINE THE ENVIRONMENTAL FEES WITH THE STATE SHARE OF FISH AND WILDLIFE FEES.
