Subject: Filing of Notice of Determination in Compliance with Section 21108 or 21152 of the Public Resources Code

State Clearinghouse Number: 2019012052

Project Title: Marshall Prescribed Fire Project

Project Location: The project is located in southern Humboldt County, north of Honeydew, immediately east of the Upper North Fork Mattole River, west of Meaux Road. Bull Creek and Buckeye Mountain USGS 7.5 Quadrangles. T 2S R 1W Sec 25 & T 2S R 1E Sec 30 H.B.&M.

Project Applicant: Humboldt County Resource Conservation District

Project Description: The project includes approximately 109.3 acres of wildland-urban interface fuel reduction and ecological restoration treatments in southern Humboldt County, located north of Honeydew on private forestlands. Proposed treatment activities are manual and prescribed burning (broadcast and pile burning) treatments. The Humboldt County RCD prepared an Addendum and Project Specific Analysis (PSA) for the project as an activity covered by the CalVTP Program PEIR (SCH# 2019012052).

This Notice of Determination is to advise that the Humboldt County Resource Conservation District (CEQA Lead Agency) approved the above-described project on August 10, 2023 and has made the following determinations:

1. The project will have a significant effect on the environment.
2. An Addendum and PSA was prepared for this project pursuant to the provisions of CEQA.
3. Mitigation measures and standard project requirements from the CalVTP PEIR were made a condition of the approval of the project; no new project-specific mitigation measures are required.
4. A mitigation monitoring and reporting program was adopted by the Humboldt County RCD for this project.
5. A statement of overriding considerations was adopted by the Humboldt County RCD for this project, which reaffirmed the previous statement of overriding considerations in the CalVTP PEIR.
6. Findings were made pursuant to the provisions of State CEQA Guidelines Section 15091.

This is to certify that the Marshall Prescribed Burn Project Specific Analysis and Addendum to the CalVTP PEIR and record of project approval is available to the General Public at <https://bof.fire.ca.gov/projects-and-programs/calvtp/environmental-documentation-for-approved-projects/>
