1001 I Street 16th Floor
Sacramento, CA 95814

STATE CLEARINGHOUSE NUMBER: 2017122069

PROJECT NUMBER: C-06-8517-110

PROJECT TITLE: Fiscal Year 2019/20 Gravity Sewer Improvements, Butterfield/Arroyo-Kenrick Project (Project)

PROJECT LOCATION: The Project involves the rehabilitation of existing gravity sewer mains along Butterfield Road in San Anselmo, Marin County, California. The Project consists of the Butterfield/Arroyo-Kenrick alignment located between Arroyo Avenue and Kenrick Avenue.

PROJECT DESCRIPTION: The State Water Resources Control Board (State Water Board) is a Responsible Agency for the Project. The State Water Board's Clean Water State Revolving Fund (SRF) Program is financing the Project. The Project will consist of the following components:

- Installation of a new diversion pipe by open cut on Butterfield Road between Arroyo Avenue and Kenrick Avenue. Existing six inch sewer mains along the edges of the right-of-way would be abandoned in place and replaced with a new twelve inch sewer main located in Butterfield Road with flows and laterals rerouted to the new diversion sewer.
- The construction route includes approximately 1,441 linear feet of pipe. The entire route is expected to be constructed by open cut. Additionally, approximately 1,000 linear feet of laterals would be replaced or extended by open cut. The majority of these pipelines fall either within public right-of-way or in designated easements running through private property. Approximately ten manholes would be replaced or installed, each requiring an excavation of approximately eight feet by eight feet.

PUBLIC AGENCY APPROVING PROJECT AND CARRYING OUT PROJECT: The State Water Board has approved SRF financing for the Project described above on January 7, 2022. Ross Valley Sanitary District will be carrying out the Project. The State

Water Board has made the following California Environmental Quality Act (CEQA) determinations regarding the Project:

1. The Project will not have a significant effect on the environment. The Project will not have a significant effect on water quality impacts. This determination is limited to effects on water quality under the State Water Board's jurisdiction as a Responsible Agency.
2. A Mitigated Negative Declaration was prepared and adopted/certified for the Project pursuant to the provisions of CEQA.
3. Mitigation measures were made a condition of approval of the Project.
4. A mitigation monitoring and reporting plan/program was adopted for the Project.

LEAD AGENCY: Ross Valley Sanitary District

LEAD AGENCY CONTACT PERSON: Steve Moore, P.E., General Manager

PHONE NUMBER: (415) 870-9764

A record of financing approval for the Project is available to the general public at the State Water Board, Division of Financial Assistance at 1001 I Street, 16th Floor, Sacramento, CA 95814. The Mitigated Negative Declaration is available from the Lead Agency.
