Project Title: Miles Avenue Bridge Repair

Project Applicant: City of Indian Wells

Project Location (include county): Miles Ave Bridge over Whitewater River, Indian Wells, Riverside County, CA

Project Description:
The proposed project consists of maintenance tasks required to repair erosion damage to materials in the existing Miles Avenue Bridge structure's vicinity. The project regrades washouts in the channel embankment adjacent to the Miles Avenue bridge, and reinforces scour protection at the bridge columns. Rock slope protection will be installed at storm drain outfalls on the west and east side of the south bridge abutment as maintenance prevention measures. The maintenance tasks for the proposed project are covered under Coachella Valley Water District Encroachment Permit No. 050624-2-027. The proposed project footprint (area of disturbance) is within the same footprint (area of disturbance) analyzed under the approved MND (December 2001, Resolution No. 2001-58). This NOD is filed following approval by the City Council of the construction bid which occurred on April 6, 2023.

This is to advise that the City of Indian Wells has approved the above (Lead Agency or Responsible Agency)

described project on 04/06/2023 and has made the following determinations regarding the above described project.

- 1. The project will not have a significant effect on the environment.
2. A Negative Declaration was prepared for this project pursuant to the provisions of CEQA.
3. Mitigation measures were made a condition of the approval of the project.
4. A mitigation reporting or monitoring plan was adopted for this project.
5. A statement of Overriding Considerations was adopted for this project.
6. Findings were made pursuant to the provisions of CEQA.

This is to certify that the final EIR with comments and responses and record of project approval, or the negative Declaration, is available to the General Public at: 44-950 Eldorado Drive, Indian Wells, CA 92210
