PROJECT LOCATION: The Lassen Pines Mutual Water Company well and water treatment facility on Mountain Meadow Road in Shingletown, Shasta County, California, and at residential water meter locations within the public right-of-way of the Lake McCumber subdivision.

PROJECT DESCRIPTION: The State Water Resources Control Board (State Water Board) is the lead agency for this Project. The State Water Board's Safe Drinking Water State Revolving Fund (SDWSRF) Program is providing funds for the Project. The Lassen Pines Mutual Water Company proposes to construct a 390,000-gallon water storage tank, replace its well and booster pumping systems, replace the two existing hydropneumatic tanks (one at 5,000 gallons and one at 10,000 gallons) with a new 500-gallon hydropneumatic tank, construct a 10-by-12-foot booster pump building, and install associated piping within the boundary of the existing well and water treatment facility. The Project also involves upgrading the existing residential distribution system through the installation of approximately 180 new water meters, equipped with an automatic meter reading system, and replacement of the associated valves and piping within the Lake McCumber subdivision.

PUBLIC AGENCY APPROVING PROJECT AND CARRYING OUT PROJECT: The State Water Board considered and adopted the Initial Study/Mitigated Negative Declaration (IS/MND) on December 11, 2018 and approved SDWSRF funding for the Project on August 7, 2019. The Lassen Pines Mutual Water Company will be carrying out the Project.

The State Water Board has made the following determinations regarding the Project:

1. The Project **will not** have significant effects on the environment.
2. A **Mitigated Negative Declaration** was prepared for this Project pursuant to the provisions of CEQA.
3. Mitigation measures **were** made a condition in the issuance of the funding agreement.
4. A mitigation reporting or monitoring plan **was** adopted for this Project.
5. Findings **were** made pursuant to the provisions of CEQA.
6. A Statement of Overriding Considerations **was not** adopted for this Project.

This is to certify that the record of funding approval and IS/MND for the Project are available to the general public at the State Water Board's headquarters office in Sacramento.

The State Water Board is acting as the lead agency for this Project and is responsible for the California Department of Fish and Wildlife (CDFW) filing fees.

NOTICE

Each project applicant shall remit to the county clerk the environmental filing fee before or at the time of filing a Notice of Determination (Pub. Resources Code, § 21152; Fish & G. Code, § 711.4, subdivision (d); Cal. Code Regs., tit. 14, § 753.5). Without the appropriate fee, statutory or categorical exemption, or a valid No Effect Determination issued by the California Department of Fish and Wildlife (CDFW), the Notice of Determination is not operative, vested, or final, and shall not be accepted by the county clerk.

COUNTY DOCUMENTARY HANDLING FEE

The county clerk may charge a documentary handling fee of fifty dollars (\$50) per filing in addition to the environmental filing fee (Fish & G. Code, § 711.4, subd. (e); Cal. Code Regs., tit. 14, § 753.5, subd. (g)(1)). A county board of supervisors shall have the authority to increase or decrease the fee or charge, that is otherwise authorized to be levied by another provision of law, in the amount reasonably necessary to recover the cost of providing any product or service or the cost of enforcing any regulation for which the fee or charge is levied (Gov. Code, § 54985, subd. (a)).

COLLECTION PROCEDURES FOR COUNTY GOVERNMENTS

Filing Notice of Determination (NOD):

- Collect environmental filing fee or copy of previously issued cash receipt. *(Do not collect fee if project applicant presents a No Effect Determination signed by CDFW. An additional fee is required for each separate environmental document. An addendum is not considered a separate environmental document. Checks should be made payable to the county.)*
- Issue cash receipt to project applicant.
- Attach copy of cash receipt and, if applicable, previously issued cash receipt, to NOD.
- Mail filing fees for CRP document to CDFW prior to filing the NOD or equivalent final approval (Cal. Code Regs. Tit. 14, § 753.5 (b)(5)). The CRP should request receipt from CDFW to show proof of payment for filing the NOD or equivalent approval. Please mail payment to address below made attention to the Cash Receipts Unit of the Accounting Services Branch.

If the project applicant presents a **No Effect Determination** signed by CDFW, also:

- Attach No Effect Determination to NOD *(no environmental filing fee is due)*.

Filing Notice of Exemption (NOE) *(Statutorily or categorically exempt project (Cal. Code Regs., tit. 14, §§ 15260-15285, 15300-15333))*

- Issue cash receipt to project applicant.
- Attach copy of cash receipt to NOE *(no environmental filing fee is due)*.

Within 30 days after the end of each month in which the environmental filing fees are collected, each county shall summarize and record the amount collected on the monthly State of California Form No. CA25 (TC31) and remit the amount collected to the State Treasurer. Identify the remittance on Form No. CA25 as "Environmental Document Filing Fees" per Fish and Game Code section 711.4.

The county clerk shall mail the following documents to CDFW on a monthly basis:

- ✓ A photocopy of the monthly State of California Form No. CA25 (TC31)
- ✓ CDFW/ASB copies of all cash receipts (including all voided receipts)
- ✓ A copy of all CDFW No Effect Determinations filed in lieu of fee payment
- ✓ A copy of all NODs filed with the county during the preceding month
- ✓ A list of the name, address and telephone number of all project applicants for which an NOD has been filed. If this information is contained on the cash receipt filed with CDFW under California Code of Regulations, title 14, section 753.5, subdivision (e)(6), no additional information is required.

DOCUMENT RETENTION

The county shall retain two copies of the cash receipt (for lead agency and county clerk) and a copy of all documents described above for at least 12 months.

RECEIPT NUMBER

- # The first two digits automatically populate by making the appropriate selection in the County/State Agency of Filing drop down menu.
- # The next eight digits automatically populate when a date is entered.
- # The last three digits correspond with the sequential order of issuance for each calendar year. For example, the first receipt number issued on January 1 should end in 001. If a county issued 252 receipts for the year ending on December 31, the last receipt number should end in 252. CDFW recommends that counties and state agencies 1) save a local copy of this form, and 2) track receipt numbers on a spreadsheet tabbed by month to ensure accuracy.

DO NOT COMBINE THE ENVIRONMENTAL FEES WITH THE STATE SHARE OF FISH AND WILDLIFE FEES.
