**SUBJECT: Filing of Notice of Determination pursuant to Public Resources Code section 21108**

**State Clearinghouse Number:** 2015102005

**Project Title:** Wilson Water Diversion and Stream Crossings Project (Lake or Streambed Alteration Agreement No. 1600-2018-0863-R1)

**Project Location:** The project to be completed is located within the Mattole River watershed, approximately 1.25 miles south of Thorn Junction, County of Humboldt, State of California. The project is located in Section 05, T05S, R02E, Humboldt Base and Meridian; in the Briceland U.S. Geological Survey 7.5-minute quadrangle; Humboldt County Assessor's Parcel Numbers 215-281-025, 215-281-016, and 215-171-017; latitude 40.0405N and longitude 123.9739W at the point of diversion (POD).

**Project Description:** The project is limited to 6 encroachments (Table 1). One encroachment is for water diversion from an unnamed tributary to the Mattole River. Water is diverted for domestic use. Work for the water diversion will include use and maintenance of the water diversion infrastructure. Three other proposed encroachments are to upgrade failing and undersized culverts. Work for these three encroachments will include excavation, removal of the failing culverts, replacement with new properly sized culverts, backfilling and compaction of fill, and rock armoring as necessary to minimize erosion. One encroachment is to permit an existing bridge with concrete footings in a class I stream. One proposed encroachment is to decommission a failing stream crossing and restore the stream channel.

This is to advise that CDFW, acting as  the Lead Agency /  a Responsible Agency approved the above described project and has made the following determinations regarding the project pursuant to California Code of Regulations section 15096, subdivision (i):

1. The project will not have a significant effect on the environment. This determination is limited to effects within CDFW's permitting jurisdiction as a Responsible Agency.
2. A  mitigated negative declaration /  negative declaration was prepared for this project pursuant to the provisions of CEQA.  
CDFW considered the  mitigated negative declaration /  negative declaration prepared by the Lead Agency for this project pursuant to California Code of Regulations section 15096, subdivision (f).
3. Mitigation measures  were /  were not made a condition of CDFW's approval of the project.
4. A mitigation reporting or monitoring plan  was /  was not adopted by CDFW for this project.
5. A Statement of Overriding Considerations was not adopted by CDFW for this project.
6. Findings were not made by CDFW pursuant to Public Resources Code section 21081, subdivision (a).

The  mitigated negative declaration /  negative declaration prepared for the project is available to the general public at the office location listed above for the Lead Agency. CDFW's record related to the Lake or Streambed Alteration Agreement is available to the public for review at CDFW's regional office.
