SUBJECT: Filing of Notice of Determination pursuant to Public Resources Code section 21108

State Clearinghouse Number: 2015102005

Project Title: Patton Water Diversion, Pond, and Stream Crossings Project (Lake or Streambed Alteration Agreement No. EPIMS-08831-R1)

Project Location (include county): The project to be completed is located within the Eel River watershed, approximately 0.5 miles southwest of the town of Blocksburg, County of Humboldt, State of California. The project is located in Section 20, T2S, R5E, Humboldt Base and Meridian; in the Blocksburg U.S. Geological Survey 7.5-minute quadrangle; Assessor's Parcel Number 217-262-004 and 217-265-001; latitude 40.2664 N and longitude 123.6423 W at the point of diversion (POD).

Project Description: The project is limited to five encroachments. One encroachment is for water diversion from an unnamed tributary to the Eel River. Water is diverted for irrigation. Work for the water diversion will include use and maintenance of the water diversion infrastructure. Three other proposed encroachments are to upgrade or permit culverts at road/stream crossings. The final encroachment will permit reconstruction of a pond outlet. Reconstruction will include replacement of the spillway and compaction of the fill berm. Work for these encroachments will include excavation, removal of the existing culvert, replacement with new properly sized culvert, backfilling and compaction of fill, and rock armoring as necessary to minimize erosion.

This is to advise that CDFW, acting as the Lead Agency / a Responsible Agency approved the above described project and has made the following determinations regarding the project pursuant to California Code of Regulations section 15096, subdivision (i):

1. The project will not have a significant effect on the environment. This determination is limited to effects within CDFW's permitting jurisdiction as a Responsible Agency.
2. A mitigated negative declaration / negative declaration was prepared for this project pursuant to the provisions of CEQA.
CDFW considered the mitigated negative declaration / negative declaration prepared by the Lead Agency for this project pursuant to California Code of Regulations section 15096, subdivision (f).
3. Mitigation measures were / were not made a condition of CDFW's approval of the project.
4. A mitigation reporting or monitoring plan was / was not adopted by CDFW for this project.
5. A Statement of Overriding Considerations was not adopted by CDFW for this project.
6. Findings were not made by CDFW pursuant to Public Resources Code section 21081, subdivision (a).

The mitigated negative declaration / negative declaration prepared for the project is available to the general public at the office location listed above for the Lead Agency. CDFW's record related to the Lake or Streambed Alteration Agreement is available to the public for review at CDFW's regional office.
