SUBJECT: Filing of Notice of Determination pursuant to Public Resources Code section 21108

State Clearinghouse Number: 2015102005

Project Title: Carpenter Pond Impoundment and Stream Restoration Project (Lake or Streambed Alteration Agreement No. 1600-2018-0769-R1)

Project Location: The project is located approximately 2.7 miles northeast of the town of Miranda, County of Humboldt, State of California; Section 30, T2S, R4E, Humboldt Base and Meridian; in the Miranda U.S. Geological Survey 7.5-minute quadrangle; Assessor's Parcel Number 211-362-015.

Project Description: The California Department of Fish and Wildlife has executed Lake and Streambed Alteration Agreement number 1600-2018-0769-R1, pursuant to Section 1602 of the Fish and Game Code to Iris Carpenter. The project consists of three encroachment(s): Two projects are for the restoration of unnamed tributaries to Elk Creek. Work for these projects include removal of unpermitted buildings using a bulldozer and dumpsters, removal of several small trees (no greater than 12" diameter), decommissioning of access roads, restoration of affected stream channels and erosion control. One encroachment is to stabilize a failing fill-slope of a constructed pond that has encroached on a Class III stream, tributary to Elk Creek. Work includes excavation, recompaction of fill material, and placement of approximately 75 yards of rock slope protection on the fill slope, keyed in three feet into the original ground to minimize erosion.

This is to advise that CDFW, acting as the Lead Agency / a Responsible Agency approved the above described project and has made the following determinations regarding the project pursuant to California Code of Regulations section 15096, subdivision (i):

1. The project will not have a significant effect on the environment. This determination is limited to effects within CDFW's permitting jurisdiction as a Responsible Agency.
2. A mitigated negative declaration / negative declaration was prepared for this project pursuant to the provisions of CEQA.
CDFW considered the mitigated negative declaration / negative declaration prepared by the Lead Agency for this project pursuant to California Code of Regulations section 15096, subdivision (f).
3. Mitigation measures were / were not made a condition of CDFW's approval of the project.
4. A mitigation reporting or monitoring plan was / was not adopted by CDFW for this project.
5. A Statement of Overriding Considerations was not adopted by CDFW for this project.
6. Findings were not made by CDFW pursuant to Public Resources Code section 21081, subdivision (a).

The mitigated negative declaration / negative declaration prepared for the project is available to the general public at the office location listed above for the Lead Agency. CDFW's record related to the Lake or Streambed Alteration Agreement is available to the public for review at CDFW's regional office.
