SUBJECT: Filing of Notice of Determination pursuant to Public Resources Code section 21108

State Clearinghouse Number: 2015102005

Project Title: Mammoo Stream Crossing Decommissioning Project (Streambed Alteration Agreement No. 1600-2019-0092-R1)

Project Location: The project to be completed is located within the Van Duzen River watershed, approximately 8.7 miles east of the town of Bridgeville, County of Humboldt, State of California. The project is located in Section 17, T01N, R05E, Humboldt Base and Meridian; in the Larabee Valley U.S. Geological Survey 7.5-minute quadrangle; Humboldt County Assessor's Parcel Number 210-231-012; latitude/longitude 40.4595, -123.6336 at the stream crossing.

Project Description: The project is limited to one encroachment (Table 1) for the decommissioning of a ford stream crossing. Work for this encroachment will involve the removal of any fill within the stream banks, pulling back the slope and installing erosion control and plating with native seeds as appropriate.

The Permittee has disclosed a water well located at approximately 40.4595, -123.6359. This well is presented as the sole source of water for all needs on the property. CDFW did not evaluate hydraulic connection of the well to surface water, nor was a hydrogeologic evaluation prepared by a licensed geologist provided for CDFW review.

No other projects that may be subject to FGC1602 were disclosed. This Agreement does not retroactively permit any stream crossings, water diversions or other encroachments not described in Table 1.

Table 1. Project Encroachments with Description

ID	Latitude/Longitude	Description
Decommission Crossing	40.4595, -123.6336	Ford stream crossing will be decommissioned, pull back any fill out of the channel, hydrologically disconnect the road from the stream and install erosion control and plant native seeds as appropriate

Determination: This is to advise that CDFW, acting as the Lead Agency / a Responsible Agency approved the above described project and has made the following determinations regarding the project pursuant to California Code of Regulations section 15096, subdivision (i):

1. The project will not have a significant effect on the environment. This determination is limited to effects within CDFW's permitting jurisdiction as a Responsible Agency.

2. A mitigated negative declaration / negative declaration was prepared for this project pursuant to the provisions of CEQA.

CDFW considered the mitigated negative declaration / negative declaration prepared by the Lead Agency for this project pursuant to California Code of Regulations section 15096, subdivision (f).

3. Mitigation measures were / were not made a condition of CDFW's approval of the project.
4. A mitigation reporting or monitoring plan was / was not adopted by CDFW for this project.
5. A Statement of Overriding Considerations was not adopted by CDFW for this project.
6. Findings were not made by CDFW pursuant to Public Resources Code section 21081, subdivision (a).

The mitigated negative declaration / negative declaration prepared for the project is available to the general public at the office location listed above for the Lead Agency. CDFW's record related to the Lake or Streambed Alteration Agreement is available to the public for review at CDFW's regional office.
