SUBJECT: Filing of Notice of Determination pursuant to Public Resources Code section 21108

State Clearinghouse Number: 2015102005

Project Title: Long Water Diversion, and Crossing Project (Lake or Streambed Alteration Agreement No. 1600-2019-0704-R1)

Project Location (include county): The project to be completed is located within the Eel River watershed, approximately 6.79 miles Southeast of the town of Dinsmore, County of Humboldt, State of California. The project is located in Section 27, T01N, R04E, Humboldt Base and Meridian; in the Larabee U.S. Geological Survey 7.5-minute quadrangle; Assessor's Parcel Number 210-062-006; latitude 40.439210 N and longitude -123.713827 W at the first point of diversion (POD).

Project Description: This Agreement relies on the Notification materials and desk review without a CDFW site inspection. The project is limited to 11 encroachments. Four encroachments are for water diversion from springs near unnamed tributaries to Little Larabee Creek. Water is diverted for domestic and irrigation use. Work for the water diversion will include use, replacement, and maintenance of the water diversion infrastructure. The 7 other proposed encroachments are to upgrade failing and undersized culverts, rock fords, and to decommission historic crossings. Work for these encroachments will include excavation, removal of the failing culverts, replacement with new properly sized culverts, backfilling and compaction of fill, and rock armoring as necessary to minimize erosion. Work for crossing decommissioning includes side channel and channel excavation, reshaping channel and bank, and revegetation with native plants.

This is to advise that CDFW, acting as the Lead Agency / a Responsible Agency approved the above described project and has made the following determinations regarding the project pursuant to California Code of Regulations section 15096, subdivision (i):

1. The project will not have a significant effect on the environment. This determination is limited to effects within CDFW's permitting jurisdiction as a Responsible Agency.
2. A mitigated negative declaration / negative declaration was prepared for this project pursuant to the provisions of CEQA.
CDFW considered the mitigated negative declaration / negative declaration prepared by the Lead Agency for this project pursuant to California Code of Regulations section 15096, subdivision (f).
3. Mitigation measures were / were not made a condition of CDFW's approval of the project.
4. A mitigation reporting or monitoring plan was / was not adopted by CDFW for this project.
5. A Statement of Overriding Considerations was not adopted by CDFW for this project.

Findings were not made by CDFW pursuant to Public Resources Code section 21081, subdivision (a).

The mitigated negative declaration / negative declaration prepared for the project is available to the general public at the office location listed above for the Lead Agency. CDFW's record related to the Lake or Streambed Alteration Agreement is available to the public for review at CDFW's regional office.
