Project Title: Wansick Water Diversion and Stream Crossings Project
2 Encroachments (Lake or Streambed Alteration Agreement No. 1600-2019-0399-R1)

Project Location (include county): The project to be completed is located within the Eel River watershed, approximately 6.4 miles SW of the town of Redway, County of Humboldt, State of California. The project is located in Section 14, T04S, R02E, Humboldt Base and Meridian; in the Briceland U.S. Geological Survey 7.5-minute quadrangle; Assessor's Parcel Number 220-052-013 latitude 40.1111 N and longitude -123.9357 W at the first point of diversion (POD).

Project Description: This Agreement relies on the Notification materials a desk review without a CDFW site inspection. The project is limited to two encroachments (Table 1). One encroachment is for water diversion from unnamed spring from North Fork China Creek tributary to China Creek. Water is diverted for domestic use only. Work for the water diversion will include use and maintenance of the water diversion infrastructure. The other proposed encroachment is to maintain the existing 48" corrugated metal pipe culvert. It is described as showing some wear on the bottom but, is still serviceable for at least 5 years. No work for this encroachment is authorized for replacement, only maintenance. If work is required it cannot be considered under CDFG Code 1610 as an emergency. If work becomes necessary during the terms of this Agreement an amendment would become necessary to cover replacement.

This is to advise that CDFW, acting as the Lead Agency / a Responsible Agency approved the above described project and has made the following determinations regarding the project pursuant to California Code of Regulations section 15096, subdivision (i):

1. The project will not have a significant effect on the environment. This determination is limited to effects within CDFW's permitting jurisdiction as a Responsible Agency.
2. A mitigated negative declaration / negative declaration was prepared for this project pursuant to the provisions of CEQA.
CDFW considered the mitigated negative declaration / negative declaration prepared by the Lead Agency for this project pursuant to California Code of Regulations section 15096, subdivision (f).
3. Mitigation measures were / were not made a condition of CDFW's approval of the project.
4. A mitigation reporting or monitoring plan was / was not adopted by CDFW for this project.
5. A Statement of Overriding Considerations was not adopted by CDFW for this project.
6. Findings were not made by CDFW pursuant to Public Resources Code section 21081, subdivision (a).

The mitigated negative declaration / negative declaration prepared for the project is available to the general public at the office location listed above for the Lead Agency. CDFW's record related to the Lake or Streambed Alteration Agreement is available to the public for review at CDFW's regional office.
